And the only man I would give up everything for. I fell hard for the Mafioso at the tender age of eleven. This beast of a man who I knew made people disappear-and probably enjoyed every second of it-was also the sixteen-year-old boy who had picked me up after I'd fallen flat on my face during my dance recital and told me I was the best ballerina he'd ever seen. He's watched over me, protected me like I was the most precious thing in the world to him. And then he sent me away. Scarlett Vitucci was many things: The daughter of the biggest Cosa Nostra boss from New York to Chicago. The sister of the man I would gladly take a bullet for. And the only woman I would ever love. Sending her away was the hardest thing I've ever done, but I didn't deserve her or her love. For three years I stayed away, ignoring the gnawing ache that her absence left in my chest. Now, she was back and fighting what I felt for her was impossible. Letting her go had been a huge mistake. One I would never repeat.

All it took was one look, one kiss. The promises he made-I should have known better. He was a rock star and I had no time for a guy like him in my life. I fell anyway. I believed his promises. Held onto them and waited. But the thing about rockers is that their private lives are never truly private. Seeing him on the cover of a national tabloid shouldn't have surprised me. Seeing him with two women all over him? That nearly broke me. Now the memory of that first magical kiss was **TAINTED**.

Those darker than espresso eyes were full of fear, her mouth so ripe that had once begged me to devour it trembling in fright. But Amara was starting to see that maybe she should have. Everything that could have possibly gone wrong, has. Until I run right into what feels like a brick wall. Of course, the brick wall has a name, too. Cash Graves. I knew the name, even if it was a newer one to the rock world. He's the bassist for Tainted Knights, the band who was making huge splashes in the music world. Their newest hit was all over the radio and currently on repeat on my playlist ... and I just spit my margarita all over him. With a wink and a smile, he should have gotten on stage and let me go on with my life, if a little star struck over the delicious rocker. He should never have looked back, and I shouldn't have begged for more. But I did. And now, my heartbreak might just be the end of me.

*The Rocker That Holds Me* Terri Anne Browning 2013-10-28 **NEW COVER**The Rocker Who Holds MeTouring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is **NOT** smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again...

**Loving Violet** Terri Anne Browning 2020-05-25 "Even before you were born, we belonged to each other, Vi," I reminded her, trying to fight the desperation to grab on to her and hold her, because I could feel her slipping away from me more and more with each beat of my heart. "You were in your mom's belly, but I still felt you in my heart. It was as if there was this invisible cord connecting your heart to mine. I can't see it, but I feel it. Every damn day. You are mine." "You're right. I've always felt it too. I am yours. And you were supposed to be mine. We were supposed to be each other's firsts, Luca. First kiss. First touch. First everything. We promised we would be each other's firsts. 'Firsts and lasts, ' that's what you said. I remember it as clear as if it were yesterday. You swore that you would wait. That I was worth it. But you didn't wait, did you, Luca? You gave all your firsts away to someone else." "I..." My throat closed up, making it impossible to speak, to tell her everything I needed to so I could fix this. Fix us and what I broke."You stole that from me, Luca." Angry tears spilled from her eyes, and my heart shattered even more. "You gave away everything that was supposed to be mine. And you just expect me to be okay with that?"

I've waited my entire life to give you my firsts, but you have none to give to me." "I'm sorry," I whispered, my voice choked with emotions I was afraid to lose control of. If I let the tears free that were burning my eyes, I might flood the world."Sorry? You're sorry?" Her laugh was hard and final, causing me to flinch. "Yeah. So am I." "What does that mean?" My throat felt like I'd swallowed broken glass, and I was surprised I didn't spray blood on her with each exhale."It means I'm done. You tossed away your firsts like they meant nothing. So mine are no longer yours." "\*\*\*\*If you are easily triggered, this book is not for you!\*\*\*\*

And then I would walk away, leaving him broken and bleeding at my feet as he once had left me. This time he would be the one SHATTERED.
