WARPAIN. My name's Bryn Mathis. I'm seventeen years old, and I live in Kahayatle, otherwise known as The Everglades. I'm worried, though, that I won't be able to get them ready to fight in time, and that we're taking on more of a challenge than we can handle right now. I found myself staying up all night not able to put this down until it was done, and it's been a few months since I've felt that way." ~ Alisha, Goodreads reviewer This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people. This is a must read." ~ Kay Marle, Goodreads reviewer "I laughed, cried and sat in horror all while reading this...NOW THAT IS A GREAT BOOK! THE SERIES ROCKS! A MUST READ." ~ Dystopian Doll, Amazon reviewer "I have no idea how Elle Casey does it. Every book is a masterpiece. There's never a slow or dull moment nor is there ever a dip in the plot. Usually in most books there's at least a boring passage or two but Mrs. Casey's books never have a dull moment. She can make a simple conversation between friends just as exciting and fun as a big fight scene. In fact some of my favorite moments in her books are just when her characters are interacting, making fun of each other or just eating lunch. The characters are so real and vivid that I find myself missing them once I've finished a series..." ~ Jamie, Blogger and Goodreads reviewer This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people. About this series: Normally this is the spot where I write what inspired the story or the series you see above, and usually it's a tale about a person I knew or heard about, or a dream I had ... but this time, nope. Not at all. This entire series was inspired by the cover model on Book 1. Shine Not Burn Elle Casey 2015-07-28 Revised edition: This edition of Shine Not Burn includes editorial revisions. *Don't Make Me Beautiful* Elle Casey 2013-09-09 NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the romantic suspense novel DON'T MAKE ME BEAUTIFUL. **This story was inspired by true events. If you liked the movie "Sleeping With the Enemy", then you might like this story too. ** No one knew a woman lived there or that she even existed. A monster, living in darkness... At twenty-two, Nicole doesn't even look human anymore. The beast made sure of that. So she hides. A monster, consigned to a life of fear and solitude. This is all she deserves, she is quite sure of that. And then one day out of the blue, the autographed baseball caught by Brian Jensen at the latest Marlins game enters her prison and manages to turn her world completely upside down. Temptation comes in the form of pity at first, and then perhaps something more. Does she dare to believe the things she's told, that this is not the life she was meant to live? That being a monster is not her forever-fate? And will she be willing to risk everything, to reach out and accept the helping hands around her and share her deepest, darkest secrets? She knows only too well that hands can hurt. Finding out whether they can also heal is a risky proposition, especially when the beast is still out there. Looking for her. Content warning: Violence, foul language, and adult situations. Not meant for younger readers. A message from Elle about this book: A really long time ago, I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time, she couldn't leave her house. I thought about that woman a lot over the years and about what her thoughts might have been, her fears, her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. HERE'S WHAT READERS ARE SAYING ABOUT DON'T MAKE ME BEAUTIFUL: "Don't Make Me Beautiful is a deeply touching, beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. It's both heart breaking and heart warming with a strong heroine, a to-die-for hero, and a story that will stay with you long after you finish reading. It touched my heart deeply and reminded me that there are still superheroes out there everyday who save each other. This is easily one of my favorites of the year!" ~ Aestas Book Blog "I hope this book gets huge everyone should read it....those of us that read the likes of Sylvain Reynard....Colleen Hoover....Abbi Glines....S.C. Stephens....Jamie McGuire just to name a few....we all sit around waiting for their new releases patiently....well Elle Casey just went on my top list of Authors to look for with their next story..." ~ Amazon reviewer "This story is gritty and real. Elle didn't have to use any bells and whistles to tell Nicole's story. From page one it felt like the story was a natural progression - never forced or overdone. I give this book 5 stars. I do want to say that while this is a hard story to read, it is very well worth the tears. Anyone who has survived will ache for Nicole, but will find inspiration in the courage she had to heal. To not be a victim. To rise up and survive. To embrace your happily ever after even though it scares you worse than the horrors you already survived." ~ Book blogger "Mommy's A Book Whore" "Don't Make Me Beautiful is a story that will remain with me for quite some time. Nicole's journey of restoration and healing and her second chance at life was real and heart-lifting. I commend Elle Casey for taking on such a powerful venture. While the book did have some dark undertones, Ms. Casey gave it a lighter feel establishing that even the most broken can overcome the darkness of their past and find the happiness that was once held from their grasp." ~ Booklikes Blogger LisaP.

Red, White & Royal Blue Casey McQuiston 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Wreck Me (High School Bully Romance) Lee Mae 2020-08-29 I was once part of the elite. I lived in Beverly Hills, went to a posh private school, and hung with the rich kids. The War of the Fae series is perhaps one of the best examples of this magical connection with her readers. Casey has created a whole world of characters that you very quickly care very much about." ~Lisa Ann, Reviewer on Goodreads "The drama flew through the roof. Jayne's powers are growing and the demand on her is insane. What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of 'paranormal young adult fantasy'. Jayne is still cracking jokes, is still cursing, is still making stupid decisions, is still relateable, still has ulterior motives, still is Jayne." ~Marlon Balraj, Blogger and Reviewer at We Live and Breathe Books blog "Better and better. I can't think if a single thing in this series that I don't like and that is saying a lot. The further I get into it the more I can't stop reading. Definitely a series you want to read in order and well worth the read." ~ Amazon Reviewer "Each book gives you more and more. Books 1,2,3 were fantastic. Each book after gives you more and more insight into each character. I am reading these books faster than most because the writer keeps me interested. The anticipation of the next twist is what keeps me wanting to turn the page." ~ Margaret Thomas, Amazon Reviewer A message from the author: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. I'm not sure how to begin this review and remain professional... so I'll just be honest. I FUDGING loved this book! (SOOO SOOO MUCH!) It was fantastic!..." ~ Nancy Figueroa, Tumbling Books, book blog "A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally. This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond "Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times." ~ Hipsterduck, Amazon Reviewer "This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read." ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... "What if...?" What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That's why it's the first book I wrote, because it was finally time to get it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, "What the heck? Maybe someone will like it as much as I do." Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I've ever made. It literally changed my life. I'm really glad that I spent so much time daydreaming while I was at the beach, and I'm even happier that I took a chance on this story and shared it with the world. **SEQUEL ALERT** This book was originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, RECKLESS picks up where WRECKED left off.

I must confess that I laughed and cried throughout this wonderful journey... I would love to see a movie or mini series form from this. Elle Casey has jumped by leaps and bounds to my personal top authors, sharing the space with David Dalgligh, R.A. Salvador, Ed Greenwood and Anne McCaffrey...she kicks ass." ~ Dave Snow, Amazon reviewer "I cannot begin to explain how much I loved this series. LOVE, LOVE, LOVE!!! I am recommending it to everyone I know!! Such a fun read. Great characters and action. Will not disappoint. Jayne is one of those lead characters that you will just fall in love with. Funny, strong, and extremely likeable. I lost track of time while reading these books. Didn't know what day it was, what time it was...or what my family was doing!!! :) Elle Casey reminds me why I love to try new authors." ~ Cristina, Goodreads Reviewer "This book is designed for teenagers and young adults, but it's such a humorous story that any reader will enjoy it. The characters are still just as funny as they were in the other books...This is a must read for anyone who loves fantasy, magic, and a young story that is extremely complicated but so well-written that you don't even notice all the complexities." ~ J.C. Cauthon, Goodreads Reviewer "I love this author... I love that she doesn't spend page after page of boring recap from the previous book. She writes in a manner that will have you laughing out loud (which means people look at me funny because they have no idea what i am doing), crying when she sets it up, and as you read you feel the emotions the main character does. I have read some other series she has done. She always pulls you in and doesn't let you go until she is ready." ~ adielie21, Amazon reviewer A message from the author: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. I am always sad to see Elle's series come to an end. Her chillaxed writing style brings an amazingly personal depth to her characters. Haven is no exception. Elle Casey's books are stellar! This series has elements of fear, humour, survival, and romance. The characters are wonderfully developed and you race through each book needing to know what happens. It also is very thought provoking - this terror could happen now..." ~ Penny Strebby, Amazon reviewer This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people. APOCALYPSIS: BOOK 1 (KAHAYATLE): "The storytelling was absolutely first class." ~Trevor Morris, reviewer "Elle Casey has done it again. Created a world that drags you in and won't let you go. I think I am a little bit in love with her brain ... at least the imagination part of it. I love books that make me root for the characters, and this one has you rooting from the very first page..." ~ Cynthia Shepp book reviews "What took me so flipping long to

read this book?! Apocalypse: Kahaytle was so very different than what I expected - but just that much better because of it. Elle Casey creates a world ridden with violence and horror and injects the perfect amount of belly-laughing sarcasm, wit, and romance. Her characterization is phenomenal and honest through a setting that is disturbingly realistic..." BetweentheBind.blogspot.com ~ Jenna, Book Blogger "I read A TON of dystopians and post-apocalyptic novels. They all run together, but not this one. This is the kind of dystopian that I want to read. I love the world Elle Casey has created. It's a tamed-down, less-depressing, good-humoured The Road meets a more-aggressive, less sophisticated The Silence of the Lambs. Read this! It's bloody brilliant." ~ Lucas Deal, Goodreads Reviewer "If you don't enjoy reading books that tend to be addictive and take over your life until you have finished reading it, stay away from Apocalypse. It was nearly impossible to put down. It is also funny - I spent most of the book chuckling or full out laughing." ~ Tiffany Loves Books, Blogger and Goodreads reviewer **By Degrees** Elle Casey 2013 Celebrities all suffer from the same disease. I call it the create-your-own-reality disease. Most of them start out normal, like you and me, but somewhere along the way they lose sight of up and down, left and right, and then eventually right and wrong. It's my job to fix that. Who hires me, Scarlett Barnes, otherwise known as 'The Normalizer'? Agents usually. Producers sometimes. They know they can trust me to be professional, discreet, and above all, not personally involved with my clients. I come in, I take over their lives, and I get them back on track. Help them remember what it's like to be an average Joe. My latest job acquisition? His friends call him Tear-It-Up Kilgour, but I just call him Tarin - lead singer and guitarist for the band By Degrees. I have thirty days to get his butt back on planet earth before he loses his record deal, his movie contract, and possibly even his life. I've never failed so far, and I don't plan on failing this time either, even if Tarin has other ideas.

No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn't happy about this new life I'm building. Deciding to set fire to everything I hold close.
